All boats may take part in all Sunbeam race series and compete for all fleet trophies, but only Silver Fleet boats are eligible for Silver Fleet trophies. If a Silver Fleet boat wins a fleet trophy in a race series for which there is also a Silver Fleet trophy, then that SF boat will not be eligible for the related SF Trophy. If this occurs, then if the race series also counts towards the SF V1 or V2 race series, or the SF McMeekin trophy, then the points may be used towards those SF series.
