- Notes:-
- (1) Originally (1923/26) the first 30 Sunbeams were numbered as one series. But in 1926 the Solent Sunbeams decided to have consecutive number for their own boats, and renumbered Nos. 22-27, 29 and 30 as 14-21 (the three new boats built in 1927 were therefore numbered 22-24); Falmouth did not renumber, so that duplication of numbers ensued for many years.
 - (2) "Phantasy" built in 1935 was numbered 23 because the rightful No.23 "Ecstasy", ex-"Golightly" had withdrawn from the Class. I.V.25 and I.V.26 were "Itchenor Sunbeams". F.V.1, F.V.2 and F.V.3 were new "Falmouth Sunbeams".
 - (3) Sail Number V69 was not used.
